ABOUT THIS DIRECTORY

This directory is distributed free to members of the Association of Celebrity Personal Assistants (ACPA). Designed to be an attractive reference guide to companies and services which cater to the affluent, all businesses have been submitted by individual members as representative of the finest within the industry. Only those companies that have been engaged by members and then recommended on the basis of "quality of service" can be listed in this publication.

WHAT IS ACPA?

The Association of Celebrity Personal Assistants is a not-for-profit, membership organization comprised of personal assistants to celebrities. Founded in 1992, the ACPA has three main objectives: to be a source for professional development, to render valuable programs and services; and, to serve as a forum for networking, job referral and the exchange of ideas.

Today, the ACPA has more than 300 members. Another 500 subscribe to the Association's newsletter. Members work for Kim Basinger, Whoopi Goldberg, Whitney Houston, Cindy Crawford and Muhammad Ali to name a few. Members also work for famous business CEOs, political leaders and other public figures
